

Alcohol Server or Seller Trainings

By Frank Lyons of BC Consultants

Sponsored by Healthy Androscoggin

 A Local Healthy Maine Partnership

Seller/Server trainings are “designed to better equip management, staff and licensees on identifying and preventing violations of certain liquor laws with an emphasis on underage and high risk drinkers....The training often leads to reduced insurance rates. More importantly however, it will help reduce the risk of making costly and/or tragic unlawful sales.”

Trainer: Frank Lyons, from BC Consultants, is a 29 year law enforcement veteran who spent the majority of his career serving as a Liquor Enforcement Officer and trainer for the Department of Public Safety.

The “Server/Seller Training” is a state approved program and will cover the following topics:

- Identifying minors and VIPs; Intervention to prevent a visibly intoxicated patron from driving;
- How alcohol is ingested and metabolized by the body; What alcoholism is and how alcohol affects the body;
- False ID detection and carding policy; The importance of good written policies; The Liquor Liability Act.

Those that successfully complete the program shall receive a certificate and will be certified by the Maine Department of Public Safety, Liquor Licensing for a period of three years.

Sponsored by Healthy Androscoggin to help licensees prevent costly and harmful sales to underage and high risk drinkers, as well as to promote a healthier and safer community and business environment.
